

## **UPDATE FROM THE CAGC EXECUTIVE DIRECTOR**

**Date: April 6, 2020**

**To: African-American Male Initiative Families**

**Subject: AAFI Summer 2020 Washington D.C. Trip Postponed**

I hope this email reaches you all well as we are in crazy times. I am reaching out to you, to update you on where we are with the re-planning of the trip to DC and affirm our commitment to the young men and the families. Due to the COVID-19 Pandemic we had to postpone and push back the DC trip for our AAMI students. With that being said we are looking at dates for the Spring of 2021 to take our trip. I personally want to thank all of the parents for the hard work and trust that you put in me and the AAMI in this initiative. As more information comes in we I will keep you all updated and informed, again thank you for your patience and trust. If anyone has any comments, questions or concerns I am always available to you.

Best Regards,

**Randee Drew, Head AAMI Director**

**Dr. Elliott Moeser, Executive Director**
